

The Sheffield New Muslim Project in Partnership with the Message
Islamic Information Centre (Masjid ArRisala) is proud to present:

Wednesday night study circles:

6pm Arabic class for beginners (Adults) followed by 7pm Study circle (in English)

Both circles will be held in Masjid ArRisala (opposite Tesco, Upperthorpe) and will occur every Wednesday night. These circles are for brothers only

More information:

The circles are primarily aimed at converts to Islam however they are open to anyone that feels they can benefit from them. Please bear in mind that these circles will be pitched at a relatively basic level.

The circles are brothers only and will be hosted by different people including converts taking the host position regularly. We therefore request that everyone is tolerant and patient during these circles.

The Sheffield New Muslim project is a volunteer group that helps and supports those coming to Islam. If you would like to donate or support the Sheffield New Muslim Project then visit www.sheffieldnewmuslims.co.uk
